

PARENTING IN CANADA DURING THE COVID-19 PANDEMIC

We would like to understand the impact of the pandemic on the parenting experiences of children with and without ADHD in Canada.

If you have a child in K-12, and would like to receive a \$20.00 Amazon gift card, please click on the link below to participate in our study. It should take you 20-30 minutes to complete.

A photograph showing a woman with dark hair, seen from the side, adjusting a black cat mask on a young girl's face. The girl is wearing a light-colored shirt and a backpack. The background is a bright, indoor setting, possibly a classroom or a home. The image is partially obscured by a dark grey banner at the bottom right.
